

URKO SANCHEZ ARCHITECTS is committed to quality and sustainable development in its project development and technical assistance activities for construction management, to ensure maximum client satisfaction and respect for the environment.

Our CORPORATE VALUES:

1. Excellence in project development
2. Ethics, independence, transparency, and professional integrity
3. Management based on sustainability criteria
4. Teamwork
5. Technological innovation in our processes
6. Social commitment

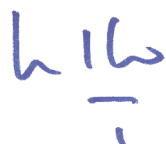

URKO SANCHEZ ARCHITECTS has an Integrated Management System based on the UNE-EN-ISO 9001:2015 and UNE-EN-ISO 14001:2015 standards. The Management of URKO SANCHEZ ARCHITECTS is committed to fulfilling and communicating the following commitments:

1. Continuously improving the effectiveness of processes and activities through our internal procedures and codes of good practice.
2. Increase the quality of our project and construction activities and reports, and exceeding our clients' expectations.
3. Comply with client requirements, mandatory legal and regulatory obligations, and internally established standards.
4. Promote the participation of employees and collaborators in continuous improvement.
5. Carry out our activities with respect for the environment and protection of biodiversity, through the sustainable use of resources to contribute to environmental protection, sustainable development, and pollution prevention.

Quality and environmental management is a commitment and responsibility shared by all personnel at URKO SANCHEZ ARCHITECTS, who actively participate in the maintenance and continuous improvement of our Integrated Management System.

Management is committed to providing the necessary human and material resources to meet the requirements of the activities carried out, achieve objectives, and continuously improve the effectiveness of our Integrated Management System. This IMS Policy is reviewed annually to ensure its suitability to the organization's context and strategic direction. It is communicated and made available to relevant interested parties.
